DISABILITY INCLUSIVE: Disaster Preparedness & Response

Include persons with disabilities in disaster risk reduction actions

All humanitarian stakeholders to **identify the needs of persons with disabilities** in pre and post disaster

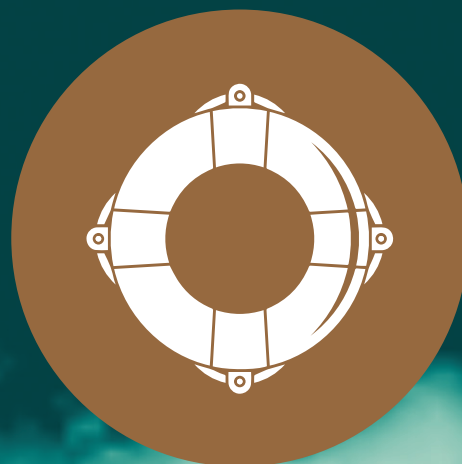

Remove all accessibility barriers that limits the participation of persons with disabilities

Break down all stigmas towards persons with disabilities

Include persons with disabilities and their representative organisations in disaster preparedness and response

Disaster preparedness is everyone's responsibility

Let's make a difference to change and save lives of persons with disabilities in our community
